Building Block Event: Winter Clothes Drive

Building Block events are our way of joining together with our neighbors throughout Butler County to give back in a way that will build a solid foundation for the future. Each Building Block event is tailored to one of the building blocks for a good life: Health, Financial Stability/Basic Needs, or Education.

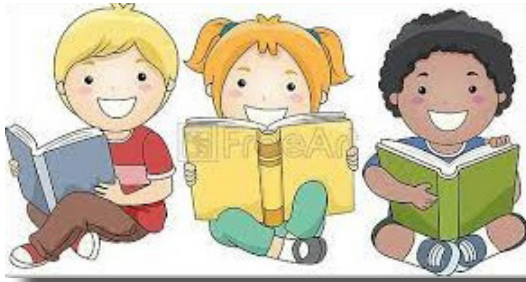

Throughout the month of January, new and/or gently-used coats, socks, hats, scarves, gloves, and long sleeve t-shirts were collected to hand out to those in need this winter season. The donated Adult Men and Women winter clothes were delivered to Serve City for distribution through their homeless shelter.

Thank you to all who generously donated. It was a great success!

on our Community Partner Agencies

We are excited to announce our newest Community Partner Agency, Focus on Youth!

Focus on Youth, Inc. exists to help the most vulnerable among us—children who have suffered abuse and neglect, experienced trauma, or struggle with behavior issues. They are a faith-based, non-profit agency committed to transforming children's lives and equipping all parents with the knowledge and skills necessary to care for vulnerable children.

Serving southwest Ohio youth and families since 1992, they specialize in:

- Behavioral health services for youth and families.
- Trauma informed care that addresses the long-term effects of trauma.
- Recruiting and licensing quality foster homes.
- Carefully matching foster families to youth based on the strengths and needs of each.
- Exceptional support to resource families.
- Professional training and development programs for foster and adoptive parents, kinship providers, biological parents, the community, and helping professionals.

We look forward to partnering with this well-established, passionate organization. Welcome!
