BUILDING BLOCK EVENT - MAY

Building Block events are our way of joining together with our neighbors throughout Butler County to give back in a way that will build a solid foundation for the future. Each Building Block event is tailored to one of the building blocks for a good life: Health, Financial Stability/Basic Needs, or Education.

This month's event is focused on promoting healthy lifestyles and providing stress relief. Butler County United Way is partnering with Great Miami Valley YMCA in leading us to relax our minds and bodies. We'll see you there!

IMAGINATION LIBRARY

The Ohio Governor's Residence

Debbie Adams, Kim Whitton, First Lady Fran DeWine, and Krystal Tipton

On Thursday, May 5, several members of our staff joined others across Ohio at the Franklin Park Conservatory in Columbus to discuss the Imagination Library program and its future success. This locally funded program is supported by the Ohio Governor's office through branding and administrative support, but it is the generous donations across Butler County that allow this program to thrive.

As the Imagination Library fiscal agent for the county, Butler County United Way works closely with MidPointe Library Systems and Lane Public Libraries to ensure the program's success. Currently, over 10,000 Butler County children, age birth to 5, receive a free book each month. Early childhood education provides a solid foundation for future learning and this program provides a fantastic vehicle toward that education.

To learn how to support or enroll in this program, please visit our website at www.bc-unitedway.org/OGIL.

I am pleased that we have been able to deserve United Way investments annually for over 40 consecutive years."*
