BUTLER COUNTY UNITED WAY TO SERVE ALL AREAS OF BUTLER COUNTY

After careful consideration, Butler County United Way and United Way of Greater Cincinnati have agreed to transfer the Middletown service area to Butler County United Way. This transition agreement became effective on August 31, 2021.

The Middletown service area (zip codes 45042, 45044, 45050, and 45067) had been served by United Way of Greater Cincinnati for many years. However, the presence of multiple United Ways in the County contributed to duplicated efforts for many partner agencies, requiring them to apply for funding, provide reporting, and engage with multiple United Ways. Consolidating all Butler County service areas under a single United Way will provide for a more seamless United Way experience for not only partner agencies, but for residents and companies who run workplace fundraising campaigns.

Annual Teddy Bear Drive

As has become tradition over the past few years, our generous community once again donated stuffed Teddy Bears or other new, stuffed animals to give to needy children this holiday season.

Over 200 items were provided to PARACHUTE: Butler County CASA for distribution to children and their families who are in uncertain situations. These toys will help to bring a bit of brightness to their holiday season. Thank you!
