What is My Free Taxes?

This free Tax Prep Program assists eligible tax filers in filing their taxes online, saving an average of \$250 in tax preparation fees.

The program offers two free filing solutions:

- MyFreeTaxes.com is a free, secure and mobile-optimized website available for families of all incomes. It is sponsored by United Way and powered by H & R Block, with a dedicated helpline (1.855.MY.TX.HELP) and online support page.
- Volunteer Income Tax Assistance (VITA) is a free in-person tax filing support also for families of all incomes. This service is offered by trained and certified volunteers at walk-in or appointment sites throughout Butler County. Additional VITA sites are available outside of Butler County. For information about additional locations, please contact HelpLink 2-1-1.

Why does Butler County United Way want to help individuals file their taxes for free?

We believe in creating a community where everyone has an opportunity to thrive. Free tax preparation is a key initiative in helping families achieve financial stability.

- Free tax preparation helps low and moderate wage workers keep more money in their pockets.
- It provides the support of a proven software provider in H&R Block as well as the help of local tax preparers making it easy to complete their tax forms.
- All US tax filers are eligible for free tax preparation, but many don't know it. That includes many employees at partner worksites as well as United Way donors and volunteers!
- Connecting you with this benefit is one more way to give back to our partners, companies and to our donors.
