WELCOME OUR NEW BOARD OF TRUSTEES OFFICERS AND MEMBERS

Butler County United Way is pleased to begin the new fiscal year with the appointment of three new Board of Trustees officers, and three new board members. Brian Chamberlain, K. Michael Jordan, and Jennifer Jackson all began three-year terms as board members, as Andrew Schnell (Vice President, The Cincinnati Insurance Companies) assumed the Board Chair role, effective July 1, 2024, following his term as Vice Chair. Marcia Andrew (Partner, Taft, Stettinius & Hollister, LLP) stepped into the Vice Chair role, while Mariann Penska (Retired LexisNexis) became Board Secretary. Kevin McKinney (Park National Bank) remains Treasurer.

DAY OF ACTION: BIRTHDAY BAGS

THANK YOU to all of our volunteers, sponsors, and donors for making our 2024 Butler County United Way Day of Action a major success! We packed and donated more than 200 Birthday Bags to our Community Partner Oxford Seniors with the help of our dedicated volunteers. Thank you to the students from Hamilton Living Water Ministry for their sweet, handmade birthday cards, and Aetna for providing materials for this Building Block event.

COMMUNITY PARTNER SPOTLIGHT: Warren County Community Services

The Mission of Warren County Community Services, Inc. (WCCS) is to strengthen the fabric of our community by providing services and connecting people to resources necessary for realizing their full potential for a quality life. WCCS began serving Congregate Meals in Butler County in October of 2023. They were asked by Council on Aging (COA) of Southwest Ohio to take on the services of Congregate Dining in Middletown after a provider went out of business with little notice to COA. WCCS was eager to assist with this task to ensure the elderly population received the lunch meal they so deserved. With the support from Butler County United Way, during the last quarter of 2023, WCCS served over 14,000 meals to the elderly in Butler County.

WCCS currently serves over 170 Butler County senior residents at four different dining sites. By the end of September, they will be adding two additional sites at MidPointe Library in Monroe and in Trenton. They anticipate serving 50 additional seniors with those new locations.

WCCS is excited to continue to collaborate with Butler County United Way to fulfill the need for supplemental meals for seniors in Butler County.

BOOKS AND BREWS

We had a blast packing and donating 200 literacy kits to our community partner, Butler County Educational Service Center, at our Books and Brews volunteer event at Pour House in Hamilton! Thank you to our awesome volunteers and Building Block sponsor Aetna for making it all possible.
